WELCOME

Welcome to Casey Cardinia Libraries' inspirational Summer Events program.

Enjoy a Cool Change at Your Local Library

If there is one thing Melburnians understand better than most people it's the fickle nature of summer weather. At CCL we reckon every day is a good day to be at the library – we provide a cool welcoming environment no matter what the elements are doing outside.

We are continuing to look for ways to bring families and friends together through creative programming whether it is Lego clubs, coding

workshops, reading groups or even Minecraft. We want our libraries to be known as the knowledge wells of our community... safe places where people can come together to learn, share knowledge and enjoy a sense of belonging.

Over the last 12 months we have been working on ways to improve the quality of shared space in our libraries – we understand that books and access to up-to-date computers is very important, but we also want to make sure we put people first. In recent weeks we have doubled the capacity of the free public Wi-Fi in all our branches and we are continuing to invest in new comfortable furniture that will encourage people to linger longer.

I strongly encourage you to come and check out the new Bunjil Place Library. It is an absolutely stunning space that sets a new benchmark for public libraries in Australia. We are excited about taking this opportunity to test new thinking and apply it across CCL. We welcome your feedback on the new library – it will help inform our planning for new libraries in the years to come.

We are always on the lookout for new ideas that will help make our libraries better places to visit. If you have a suggestion you would like to share please feel welcome to contact me directly.

The Forgiveing Tree

Donate to our Forgiveing Tree this Christmas and we'll pay it forward by forgiving your fines.

Terms & Conditions apply.

PAY IT FORWARD AND HELP OTHERS

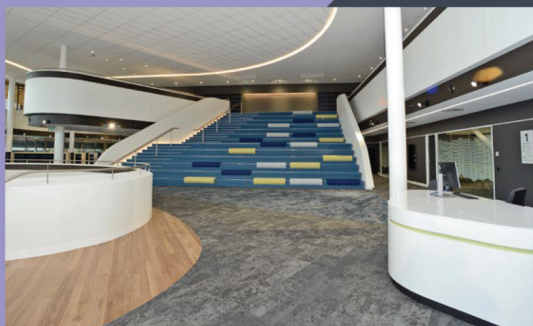

Forgiveing Trees have been established at all Casey Cardinia Libraries in the lead up to Christmas. We are encouraging people to contribute items of food or unwrapped gifts for those in need of support.

The Forgiveing Tree is a golden opportunity for library members with overdue items or fines to wipe the slate clean and feel good about it.

The Forgiveing Tree campaign is running until 24 December with all donated goods going to local charities. Donated non-perishable food needs to have its packaging intact with best before dates in 2018. Christmas gifts must be new and unwrapped.
