WELCOME

Welcome to Casey Cardinia Libraries' autumn events guide.

As the days turn cooler, we have a jam-packed program for you with the most amazing events and activities.

Public libraries play a vital role encouraging people to learn, discover and grow.

We want you to enjoy a welcoming and safe environment where you are free to learn, discover and enjoy the company of other people.

This year we have also partnered with the YMCA in the City of Casey to deliver a range of events and activities that encourage people to look after their bodies as well as their brains. A healthy body supports a healthy mind!

If you have not already visited our beautiful new library at Bunjil Place, please make the trip. It is a source of inspiration and delight and setting a new standard for community libraries.

We are always on the lookout for new ideas that will help make our libraries better places to visit and welcome your thoughts, ideas and suggestions. Please feel welcome to contact me directly.
