Events
2018**

WELCOME

Welcome to the Casey Cardinia Libraries' Spring Events Guide.

Bring on Spring!

This seasonal guide encapsulates what we are about as a library – a place where creativity flourishes, people exercise their minds and grow together as a community.

We love people visiting our libraries, helping them find information and learning something new.

Casey Cardinia Libraries are very much aware of our role in a rapidly growing region. We are constantly looking for ways to lift our game and extend opportunities for people to use our services.

We welcome more than 1 million visitors per annum through our doors and appreciate that at times things can get a little hectic on the library floor. We love the energy that comes from a library full of people, but also recognise that we have to find ways to make more library space available.

You have consistently told us through our community surveys that you would like to see the library open more often. We have listened!

Over the next 6 months we are trialling an extension of opening hours across the region. Every library branch at CCL will open at 9.00am on week days and operate until 9.00pm on Thursdays.

We believe that by extending opening hours, we will enable more people to use our services at times that suit them better – please prove us right. Come and visit!

PAY IT FORWARD AND HELP OTHERS

Forgiving Trees have been established at all Casey Cardinia Libraries in the lead up to Christmas. We are encouraging people to contribute items of food or unwrapped gifts for those in need of support.

The Forgiving Tree is a golden opportunity for library members with lost items to wipe the slate clean and feel good about it.

The Forgiving Tree campaign starts on Wednesday 7 November with all donated goods going to local charities. Donated non-perishable food needs to have its packaging intact with best before dates in 2019. Christmas gifts must be new and unwrapped.
