# WELCOME

---

## Welcome to the Casey Cardinia Libraries' Summer Events Guide.

---

Welcome to Summer at Casey Cardinia Libraries.

We have an action packed program full of programs and events that will inspire you.

The role of public libraries has changed so much in recent years. Books remain at the very core of what we do, but increasingly we are seeing people use our libraries for different purposes.

Visitors to the library love the fact that they can gather in a public space where everyone is welcome. The team at CCL really appreciate the way people live and learn together in our libraries.

We understand how important libraries are to our community. It is very clear that contemporary public libraries make a vital contribution to the health and well-being of people. CCL will always encourage people to read and learn. We will continue to work hard to make sure our libraries help people feel connected and included.

This festive season we have partnered with local charities to celebrate the spirit of giving with our Forgiving Tree campaign. Please feel welcome to contribute items of non-perishable food or unwrapped gifts for locals in need of a helping hand. If you have a long overdue or lost item we will forgive your fines in return. All CCL branches will be accepting donations up until Christmas Eve.

Regards
