DISCOVER NEW WORLDS!

Welcome to the SRC Preschool Activity Booklet—created with curious creatures in mind. Completing the activities in this booklet is just one way to participate in the 2018 Summer Reading Club *Curious Creatures* program this year.

Be sure to join in the SRC action at your library and online!

At your library

- ☐ Sign up for your own library membership card.
- ☐ Borrow books from the great reads list.
- ☐ Collect a reading log.
- ☐ Visit your library all summer long.
- ☐ Ask your librarian for more information about animals, creatures and things that inspire curiosity.
- ☐ Participate in the SRC activities at your library to receive SRC themed incentives and prizes.*

** Note: Programs, activities and incentives delivered locally are provided at your library's discretion. Check with your librarian or library's 'What's On' to find out what is on offer for you at your library this summer!*

A note to parents and caregivers:

Children and young people are encouraged to get involved in summer reading activities online and at their local libraries. The online activities are independent to the programs, activities and incentives that may be offered locally at your public library. Registration in the online program or logging books through the SRC website does not enter your child into library in-house competitions. Please visit with your librarian for participation guidelines for local library activities. For questions relating to online participation visit the SRC Website or contact the SRC Team at summerreadingclub@slq.qld.gov.au
