

## **Look behind you!.....**

One stormy night Jack was stuck in a haunted house, each step he took, he got more and more scared, then out of nowhere there was a ghost. It was kind enough; it gave the treasure map to Jack. Jack followed the map, he was really terrified, he went to the volcano and pulled the sword out. All the planets turned black, He wondered why the world turned black. Then all the scary thing came alive, the ghosts, The killer clowns, the clowns, slender man. Jack killed all the scary things. suddenly he died, He teleported alive. He was in the jail but he broke –out, he found the volcano and put the sword back in the mountain. But suddenly the volcano started to erupt. He ran out and saved himself. The worlds crust was burning, luckily Jack got the last drop of water and dump the water on to the crust. But the darkness flickered. Then it was completely dark, a light popped- up behind Jack. Jack looked behind, he fell to the ground. All the ghost surrounded him, he was trapped. It was really hard because Jack didn't have any friends with him. He had a copy machine in his pocket and he copied the sword. He threw the sword up and caught it, then he pointed the sword at all the scary thing and the ghosts. All the ghosts step away. Then Jack spined around with his sword and cut all the ghost's body in half. But more ghost appears he did the same thing again and again. Then he teleported somewhere else, happened same problem. He didn't care about it He got killed by all the ghost because the ghost teamed up and stole the sword. Everything is destroyed by the ghost. Look behind you ....Jack's soul behind you!!!!!!
