

A day in the life of..... chocolate!

One night there was a boy named Zak. He was going to bed. Zak finally fell asleep and when he woke up he was a piece of chocolate!!!

Zak thought if he's a piece of chocolate he should go and find a chocolate wrapper to hop in so he did but..... that was a bad idea because Jamey loved chocolate! Oh nooo Jamey is coming towards the chocolate packet. Aaaaaaaaahhhhhhhh

Jamey was crunching and crunching mmmmmmmm. The next thing Zak new he was in Jameys tummy. Now Zak was wondering how is he going to get out??? He was amazingly stunned! He had an idea but he will have to wait awhile.

Jamey finally sneezed achoooooooo!

Yayyy! Zak was finally out of Jameys tummy and then he woke up from his dream .

I am going back to sleep now. Bye zzzzzzzzzzx
