

Alone as...

One sister flew away
Like an elegant bird
Another, I miss her day by day
I check contacts on my phone
And I feel so alone
When you were here
You told me not to have a fear
You made me feel strong
Like I was never wrong
I feel as if I am in a dream I
pace on the street
Looking down at my feet
Shades of Black and White make Grey
I feel so empty
I am only ten
Feeling trapped in a den
Relating to William Wordsworth
Lying in the monotonous dirt
Heart made from stone
Yes, I feel so alone
