

Louie and Snippy save the sea

*The Children's Book of the Year Awards 2020, Shortlisted Picture Book*

Louie and his dog Snippy begin dreaming of swimming in the ocean, seeing the coral reefs, swimming with fish and playing with a whale but they soon discover their new ocean friends are in trouble – the plastic littering the ocean is now hurting their friends. This is a delightful environmental book that shows that we can all help simply by picking up one straw at a time.
