

Hello Lighthouse

By Sophie Blackall

Shortlisted for Picture Book of the Year 2020

From dawn to dusk, from season to season the lighthouse stands on the highest rock of a tiny island.

The sea changes with each turn of the page – at times angry, dangerous waves surround the lighthouse, at times the sea is still and gentle, and at times it is covered in ice.

Strong visuals depict the natural environment where the sea and wind play a major role.

Perfectly interwoven with the illustrations is a beautiful story of a new lighthouse keeper who arrives at the lighthouse.

How will he cope with his role as the new keeper?

Will he be lonely in this environment?

We see his life unfold as he brings someone to the lighthouse.

Captivating story and illustrations. Highly recommended.
