

I need a parrot

By Chris McKimmie

Shortlisted for Picture Book of the Year

'I need a parrot' is a delightful picture book containing insightful messages that can be explored with children of varying ages.

A boy needs a parrot

He has a cat.

He also needs a parrot.

But what does the parrot need?

Is there a difference between what we want and what we need?

Issues of freedom and ownership of animals are explored as we turn the pages.

Superb, colourful illustrations and interesting layout help to give this picture book the 'wow' factor.
