

# Doveton Library

By Ayanah Abdul Gaffar (8 years)

One day when the rain poured,  
I came walking down Power Road.

Then I found shelter from the cold,  
In a place stories were told!

I wondered all around the library,  
Then I remembered that I'm in primary!

I was so excited to see all the wonderful books,  
I wanted to take a little look!

All my favourite books were there,  
So, all I could do was stare!

I grabbed all my books in a hurry,  
So then I did not have to worry!

All the librarians are kind,  
Helping out, they don't mind!

When I put books on hold,  
I wait as good as gold!

When the message pops,  
I skip, jump and hop!

Doveton Library is the best,  
Because I can get a good rest!
