

Service Announcement for Cardinia Residents

It was announced [earlier](#) this month that Cardinia Shire Council will partner with Myli - My Community Library as their preferred library service provider for the Cardinia community. This transfer occurs on 1 December 2022.

You are receiving this email because Casey Cardinia Libraries (CCL) have recorded your nominated library as a Cardinia Library (Emerald, Pakenham or the Cardinia Mobile Library).

If this is correct, your membership will automatically change to Myli and you can continue to use your Cardinia Library with your existing library card.

Between December and February 2023, you will receive a welcome pack from Myli that will include a Myli Membership Card which will have your existing membership number and membership details.

Members who have a print balance on their CCL Library Card, can request to have the balance transferred to use at Myli [here](#). Alternatively, print balances can remain with CCL and be used when visiting a Casey Library. Please request your transfer by Wednesday 30 November, balance transfers will be available from December 1 2022.

If you no longer use Emerald, Pakenham or the Cardinia Mobile Library [click here](#) and nominate the Casey Library you use most frequently.

[Click here](#) to read the Library Member Frequently Asked Questions and here to view [Important Privacy Information](#) or drop into your local library to get a copy and find out more.

We value your membership and look forward to seeing you at the library soon.

Kind Regards,

Beth Luppino
Chief Executive Officer
Casey Cardinia Libraries
