Library Plan 2021–2025

‘Inspiring spaces where
everyone is free to
discover possibilities’

Casey
Cardinia
Libraries

Our organisation has undergone significant change over the past 12 months, with the withdrawal of Cardinia Shire from the Regional Library Agreement in November 2022.

This has presented an opportunity to review how our services meet the needs of our growing communities across the City of Casey. It has been an exciting opportunity to understand the current and future profile of people who live and work here, and to test our existing knowledge and perceptions.

The CCLC team are deeply committed to providing safe spaces for our communities to gather, learn and grow. While life appears for many to be returning to a post-pandemic sense of normality (at a somewhat hectic pace), we are seeing increasing levels of vulnerability and crisis for some who rely on our services. Our libraries play an important role in bridging the gap between other over-stretched support services – we are one of the only free places of shelter, information and wellbeing left for those doing it tough to lean on.

Over the remaining life of this plan our focus will be on the provision of targeted lifelong learning opportunities, beautiful spaces, opportunities for people to connect with each other and taking our services beyond the four walls of our existing branches to the fast-growing residential areas in Casey's southern regions.

We will soon operate under a new trading name that will reflect our transition to Casey-focused services. The process of landing on a new name was fun and involved lots of suggestions and great ideas straight from our community and library team. Along with the new name will come a brand new visual identity – we look forward to sharing this from June 2023.

While our journey through change and innovation has sharpened our focus in some areas of service delivery, our library's Vision, Mission and Values remain steady and are central to everything that we do. They are a clear reflection of our culture and the way we do things. We look forward to the implementation of this Library Plan across the next two years and hope you are as inspired as we are. Libraries really do change lives.

"Bad libraries only build collections. Good libraries build services (and a collection is only one of many). Great libraries build communities."

R. David Lankes, Expect More: Demanding Better Libraries For Today's Complex World.

Casey Cardinia Libraries (CCL) is one of Victoria's largest public library services and serves one of the fastest growing areas in the Country.

We contribute to building strong, healthy and resilient communities by providing:

- programs and resources that support education, lifelong learning, and literacy development
- free and equitable access for all
- a safe space where everyone is welcome

The most recent SGS Report on the economic impact of public libraries in Victoria (Libraries Work!) shows that for every dollar invested in CCL the community receives a return of \$5.00. CCL are funded principally by the City of Casey and the Victorian State Government. We support a rapidly growing and diverse community of more than 392,000 people.

The role of libraries.

Today's libraries play a central role in a thriving connected community. More than a place to access knowledge and information, they provide a trusted, safe, welcoming and nurturing 'third space' – a lounge room, an office, a play room, a place to meet.

United Nations Sustainable Development Goals

Casey Cardinia Libraries support the visions of City of Casey to create liveable, healthy and productive communities.

Globally, libraries are acknowledged as playing an important role in meeting the UN 2030 Sustainable Development Goals (SDGs) by providing access to lifelong learning. In particular, libraries support the achievement of the following SDGs.

Goal 1: No poverty.

Goal 3: Good health and well-being.

Goal 4: Quality education.

Goal 5: Gender equality.

Goal 8: Decent work and economic growth.

Goal 9: Industry, innovation and infrastructure.

Goal 10: Reduced inequalities.

Goal 11: Sustainable cities and communities.

Goal 13: Climate action.

Goal 16: Peace, justice and strong institutions.

Goal 17: Partnerships for the goals.

SUSTAINABLE DEVELOPMENT GOALS

Library Plan

This Plan provides guidance on how we will continue to strengthen our role in achieving council and global goals in the context of the communities that we serve.

The Plan brings together insights and feedback from:

- Membership data
- Organisational performance survey (n = 65)
- Shape your local library community survey (n = 1034)
- Shape your local library staff survey (n = 65)
- Shape your local library Council staff (n=23)
- Shape your local library community partner survey (n=17)
- City of Casey Shape your local library report
- Interviews with Board members
- Public Libraries Victoria data 2020

We are growing

The City of Casey is forecast to grow by 40% between 2023 – 2041 (from 392,236 to 551,362). The largest growth will be in new residential areas particularly those around Clyde and Cranbourne.

We are young

Growth in our communities will come mainly from working age population groups and young people. Almost 30% of residents in the City of Casey are under 19 years old compared to 24% of the Greater Melbourne population. The City of Casey's median age is 34 years and 57% of household are with children.

We are diverse

The communities served by CCLC speak over 140 languages and are from over 150 cultural groups. There are particularly large communities of people from India, Sri Lanka, China, Afghanistan and Philippines. A high proportion of our communities are recent arrivals – 14% of residents in the City of Casey arrived in Australia in the last 5 years.

This young and diverse population are key library users, suggesting that demand for CCL's resources is likely to increase significantly in the coming four years.

COVID-19

COVID-19 has had a profound impact on communities and how CCLC delivers services. While challenging, it also provided an opportunity for CCLC to showcase its leadership, innovation and adaptability.

In response to the pandemic, we expanded our digital collections and digital programming, created new services like click and collect, Library at Home, home delivery and connected with at-risk people in our community through wellbeing calls. We learned to deliver services in an entirely new way that was deeply appreciated by the community.

Notably, COVID-19 is likely to have an ongoing impact on how and where we work. Around 30% of people worked from home during COVID-19 (ABS, September 2020) These changes mean that libraries will play an even more important role providing key social and economic infrastructure to support workers and students.

Diverse, growing community

City of Casey is expected to grow significantly in the coming years, led by the growth of young families and migrants – key users and beneficiaries of library services. There is considerable scope to work together with council and community partners to reach and connect CALD populations who are most likely to benefit from having free access to information, materials and resources.

Member Council & Local Government Act 2020

COVID has also had a significant impact on our Member Council, City of Casey. Notably the Annual Rate Cap means that Councils will need to continue to explore innovative shared service models to meet its goals. This will constrain funding of much needed new library infrastructure.

The Local Government Act 2020 will also impact on how councils do business. Councils will need to strengthen engagement with communities to ensure that council priorities are informed by community feedback.

Libraries enjoy a high level of trust within communities and can support Member Council engagement, education and program delivery.

The Local Government Act 2020 has called time on the Regional Library Corporation model. CCLC Board resolved to allow Cardinia Shire to withdraw from the Regional Library Agreement on 30 November 2022. City of Casey remains as the sole member of the Regional Library Agreement, with the view to supporting CCLC to transition to a compliment entity in the years to come.

Digital engagement – Bridging the Divide

COVID-19 led to the accelerated roll out and use of digital materials, resources and programming across all sectors. Increase in community engagement with CCLC eResources and online offerings accelerated significantly during 2020 due to COVID-19. The growth in digital capability will also be important to the City of Casey's smart city and education goals.

The benefits of digital engagement need to be balanced against the challenges faced in reaching and connecting with diverse communities, virtually. Notably access to ICT resources and digital literacy are still barriers for significant parts of the population. Migrants from non-English speaking countries are less connected (81.6%) than those Australian born (87.6%) (ABS 2018). In 2020, the Australian Digital Inclusion Index score for Outer South East Melbourne was 61.6. This is the lowest score for Metro Melbourne (average 64.4) Source: Measuring Australia's Digital Divide: Australian Digital Inclusion Index.

Public libraries have a well-defined role providing fast free Wi-Fi and access to personal computers and other devices. Increasingly libraries are also taking responsibility for the provision of digital literacy training.

Health and Wellbeing

COVID-19 has reinforced the importance of health and wellbeing in our community.

Council recognises that health and wellbeing is a key priority and CCLC actively supports their Municipal Public Health and Wellbeing strategies.

Libraries help to strengthen health and wellbeing by increasing access to information and services that support health and wellbeing for our staff and community. Libraries can also provide a safe and trusted space for those who need it. They play a vital role fostering social inclusion and bringing people together from all walks of life.

Climate change and sustainability

Casey – like most of south-east Australia – is expected to experience hotter days much lower amounts of average rainfall in the coming years, increasing the risk of fire and extreme storm. Council recognises the need to proactively address these changes.

Libraries can address climate change by providing information, enabling collaboration and decision making in the community to address climate change. Importantly, libraries also provide shelter from extreme climate emergencies.

CCLC are committed to the State Government's TAKE2 sustainability program and will continue to look for ways to minimise our environmental footprint and educate our community about ways to support the environment.

5.1 Vision

Inspiring spaces where everyone is free to discover possibilities.

5.2 Mission

To encourage lifelong learning, increase literacy and build strong, resilient communities across the Casey Cardinia region.

5.3 Values and guiding behaviours

Creativity

- Thinking of new ways to do things is crucial to our success
- We challenge the status quo, if we believe a better way is possible
- We cultivate creativity in others

Fairness

- We treat people fairly and recognise them as individuals
- We do not let our personal feelings bias our decisions about others
- We actively support social inclusion and connection
- We are accountable for our behaviour

Humour

- Our humour enables us to express how we feel.
- We like to laugh, bringing smiles to other people
- We use humour to build connections and create a positive experience for everyone

Love of Learning

- We love learning about new things.
- We believe there is always an opportunity to learn
- We learn from each other

Social Intelligence

- We are mindful of people's feelings
- We know what to do to put others at ease
- We are kind, compassionate and look for the best in each other

Teamwork

- When we all contribute, we excel
- We look out for each other
- We play to each other's strengths
- We work with our community

5.4 Services we deliver

Public libraries offer one of the last free open doors in our community.

We have libraries located at Bunjil Place, Cranbourne, Doveton, Endeavour Hills and Hampton Park.

In 2021-2022, we delivered:

- Libraries collections direct to people's doors.
- Events and programs across a range of areas including: to support parenting, English education, study, Indigenous engagement, children's literacy, diversity and inclusion, digital literacy and mental health and wellbeing.
- A range of services in response to COVID-19 restrictions including click and collect, home delivery, expanded access to digital collections, digital storytelling, online conversation classes and special interest groups as well as opportunities for social connection through outbound customer care calls.
- Resources and support for CALD communities including English conversation classes, preparation for citizenship tests, more LOTE collections and culturally safe spaces.
- Refreshed library spaces in Doveton and Endeavour Hills with better lounge and study options
- Outdoor events and programs, taking the library 'beyond our four walls'

Victoria's public libraries deliver place-based strategies to create safe welcoming spaces for people. Books are in the DNA of public libraries. They are one of the signature elements that community expect when they visit the library. Programs and events that offer lifelong learning opportunities are also part of our core service. We have a mixture of new and older physical infrastructure in our established service areas and a demand for our services in growth areas throughout Casey's southern pockets.

City of Casey is now the sole member of the Regional Library Agreement, and operates within a constrained financial environment. We are focused on providing the right services to our community (the ones they really need and want) without waste so we can keep pace with our region's population growth.

Our partners

CCLC help build and strengthen our communities through innovative partnerships with service providers. We enjoy a high level of trust in the community, which means we are well placed to support community engagement activities.

We work with council teams across the arts, early childhood development, youth, family, environment, social inclusion, health and wellbeing, economic development, local history, education and training to deepen our shared impact.

Our partners value CCLC's role in facilitating free access to information and resources, as well as providing a space for learning, meeting and relaxing. They also value our role in providing education programs and events alongside access to digital resources.

By working together with council and partners, we achieve greater impact with the same resources. Through working with CCLC:

- 66.5% of council teams and 56% of community partners agree that they have been able to achieve a greater impact with the same resources.
- 54% of council teams and 56.25% of community partners agree that they have been able to run activities in a more efficient manner.

Our partnerships have also enabled council teams and community organisations to reach a larger, more culturally and socioeconomically diverse audience:

- 52.5% of council teams and 62.5% of community partners agree that together we have reached a larger audience.
- 62.5% of council teams and 37.5% of community partners agree that our partnership has enabled them to reach a more culturally and linguistically diverse audience.
- 62.5% of council teams and 50% of community partners agree that working together has enabled them to reach a more socioeconomically diverse audience.

CCLC will deepen our connections with council teams and partners. By jointly planning programming and service innovations, we can create a greater return on our shared investment.

Our partners provide specialist expertise that enhance the library's ability to support community through educational opportunities, essential support services and access to quality information.

Where we are now

6.1

The difference we make

Libraries play an essential role in providing communities with free access to reading materials, resources, information.

Our libraries also:

- Provides communities with welcoming and safe places. 87% members agree that the libraries are welcoming, 79% say they feel safe.
- Enhances community connections. One third agreed that CCLC has enabled them to participate more in their local community (e.g. events, services, activities) since visiting the library. Over 50% agreed that the library helps them feel connected to 'my local community'. 58% said that libraries help them feel included in the community.
- Inspires learning. 86% agree that the libraries foster learning. 66.5% agree that there are relevant programs and services (e.g. Wi-Fi, digital collections, library staff) available to help their learning. 38.5% agree that they participate more in learning after visiting their local library.

For many, our libraries provide access to learning opportunities and resources that they would not have otherwise had access to.

- 49% agree that CCLC has provided access to education opportunities that they would not otherwise have had.
- Almost 20% say that they visit/access library to access free ICT resources.

Our libraries also play a key role in enhancing wellbeing. CCLC played a particularly important role during COVID in supporting communities by keeping them connected through online programs and providing access to a range of reading and learning materials. 76% of our community agree that they are happier after visiting the library.

CCLC are the welcoming front door for people who want free to access knowledge, connection and inspiration.

Measurement methods

Casey Cardinia Libraries gathers feedback and statistics on our performance through a range of methods:

- Community surveys, anecdotal feedback and case studies
- Net Promoter Score
- Investment attracted for new libraries, services and programs
- Staff surveys and anecdotal feedback
- Selected lead indicators from the Annual Survey of Public Libraries
- Local Government Performance Reporting Framework
- Sustainable financial position

Notes:
Targets for 2023/23 onwards are based on 5 existing branches. With additional investment from City of Casey in new facilities, growth will align more closely with population growth.

Revised projections for 2022/23 include Cardinia Shire branches (Emerald, Pakenham and the mobile library service) for 5 months.

CCLC recognize how important it is to engage and listen to our community, our stakeholders and our staff. We have employed a number of methods to gather insights that inform this plan.

As part of the library planning process CCLC consulted widely. We appreciate the time and thought invested by library users, community members and stakeholders who freely shared their ideas, suggestions and feedback.

This plan is informed by:

- A biannual Online Community Survey
- In depth interviews with community groups and individuals
- Annual internal Organisational Health Check
- Board members
- Key staff at City of Casey
- Conversations across the organisation
- State Government, Public Libraries Victoria, State Library Victoria and Council Plans
- Victorian Public Libraries 2030 Strategic framework
- Australian libraries support the Sustainable Development Goals.
