1.0 Executive Summary

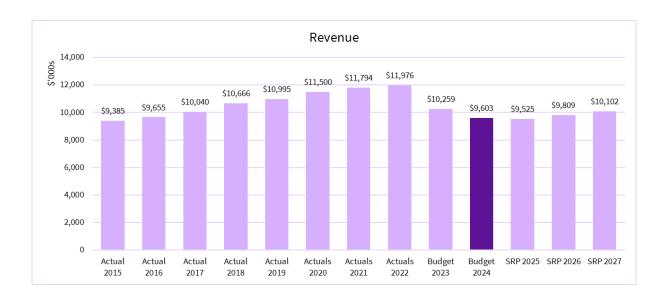

The Strategic Resource Plan supports the four-year Library Plan and has been developed in consultation with key staff, Board members, and the local community.

The financial statements have been prepared in accordance with the Local Government Act, maintaining a reporting framework that is consistent with the principles of sound financial management.

Connected Libraries (CL) is funded by the City of Casey and the State Government.

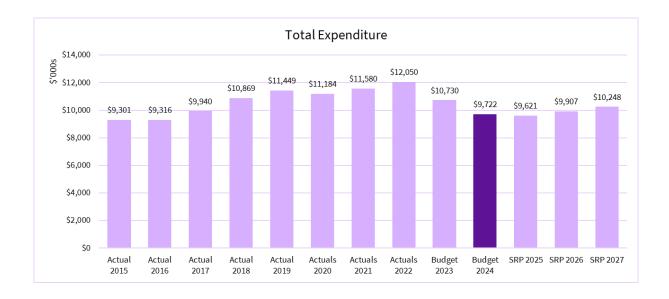

The 2023-2027 Strategic Resource Plan (SRP) takes into account key decisions made by the CL Board made throughout the course of the 2022–2023 financial year. This SRP is based on the restructure of the CL staffing model to allow for further provision of service to the community whilst maintaining Member Council contributions within rate cap. It is assumed that new outreach projects identified within the 2023 Service Review are all delivered within the first 6 months of the 2023-2024 financial year and all ongoing costs of these projects have been included.

3 Staff Resources

Employee costs includes salaries and wages, overtime, travel cost, staff training and development, and on-costs. Increases allow for banding adjustments and scheduled increases.

The current Enterprise Agreement is in effect until 24 November 2023 and all employment costs have been calculated to take into account agreed salary increases, Included in the budgeted employments costs are the scheduled increases to the Super Guarantee Percentage, as published by the ATO.

Employee costs in the 2024 budget have been based on the new staffing structure being implemented in the 2022-2023 financial year.

Not included in the 2024 budget is an additional funding call from Vision Super for Defined Benefits. The VBI of 103.2% as at 28 February 2023 satisfies APRA's Superannuation Prudential Standard 160 (SPS 160) and a funding call is not anticipated at this time.
