Digital Literacy Summer Workshops

LinkedIn Learning is an online resource offering over 7,000 courses in business, technology, creative skills, personal development and more.

Access LinkedIn Learning with your library card.

Sign up to Kanopy for free access to over 30,000 titles. From cinema release titles to documentaries, educational and kids flicks, there is something for everyone.

Access Kanopy with your library card.

Use our Learner Levels to find the right event for you:

A Beginner

I have just started using my phone or computer. I would like to learn how it works, and what I can do with it.

B Intermediate

I am comfortable with the basics of my phone or computer. I have a few go-to apps that I use. I would like to learn about more apps and websites I can use on my device.

C Advanced

I am confident using my phone or computer to check my emails and explore the internet. I would like to learn about programs I can use on my device.
