Buying & Selling Online

B

Bunjil Place Library

Fri 30 May 2pm

Join our discussion to learn the differences between grocery shopping, retail shopping, buying second-hand and selling online.

Book a Library Visit

Do you host a local community group or not for profit organisation?

Our team can deliver events to your attendees to increase their confidence using their devices.

Need Tech Help?

Our Tech Time sessions can help!

Book a one-to-one session with our team for assistance with your phone, tablet or computer.

Weekly sessions available during the school term.

Use our Learner Levels to find the right event for you:

A Beginner

I have just started using my phone or computer. I would like to learn how it works and what I can do with it.

B Intermediate

I am comfortable with the basics of my phone or computer. I have a few go-to apps that I use. I would like to learn about more apps and websites that I can use on my device.

C Advanced

I am confident using my phone or computer to check my emails and explore the internet. I would like to learn about programs I can use on my device.
