Digital Literacy
Autumn Workshops

Use our Learner Levels to find the right event for you:

A Beginner

I have just started using my device. I would like to learn how it works, and what I can do with it.

B Intermediate

I am comfortable with the basics of my device. I have a few go-to apps that I use. I would like to learn about how I can use my device.

C Advanced

I am confident emailing and using the internet on my device. I would like to learn about programs I can use on my device.
