**STRATEGIES/PLANS****16/2026 BUDGET 2026-2027*****Report prepared by Emily Ramaswamy*****Purpose**

To provide the Board with Connected Libraries Budget 2026-2027 for approval.

*Library Plan 2025-2029 reference – 4.5*

**Background**

The budget for the 2026 - 2027 financial year was prepared with input from the CL Executive and Leadership teams. The Budget takes into account key decisions made by the CL Board made throughout the course of the 2025 – 2026 financial year. This budget is based on a principle of “business-as-usual” for the seven (7) existing CL Branches, Library Lockers and Outreach Van.

**Discussion**

At the Connected Libraries April meeting, the Board considered the Draft Budget 2026-2027, and it was resolved:

1. *That the CL Draft Budget is updated with Council contribution of \$7,734,747.*
2. *That the Board endorses CL Draft Budget 2026-2027 updated.*
3. *That CL forward the endorsed CL Budget 2026-2027 to the City of Casey for approval.*
4. *That the Board notes CL will adopt the CL Budget 2026-2027 after the City of Casey advise formal approval of the Budget.*

City of Casey considered and approved the endorsed CL Budget 2026-2027 at its Council meeting on 26 May 2026.

Following Council's approval, the CL Limited Library Board can now consider the adoption of the Budget for the upcoming financial year 2026-2027.

Since the budget was endorsed, CL has received unbudgeted funding that will roll over into 2026-2027.

Notification of increased costs relating to freight, were also received in the weeks following Council endorsement. It is anticipated that these costs will be at least \$15,000 higher than originally budgeted. CL will manage costs throughout the year, and look to make cost saving adjustments where possible, without impacting service delivery. The amounts are not material enough that would warrant a Budget revision, and as such will be treated as expected variances during the year.

**Conclusion**

The 2026-2027 CL Budget provides a business-as-usual approach to resourcing the Library Plan and CL's seven branches, Library Lockers and Outreach Van, incorporating confirmed rate cap and salary adjustments along with key financial assumptions.

**RECOMMENDATIONS**

- 1. That the Board notes that CL Budget 2026-2027 was approved at City of Casey Council meeting.**
- 2. That the Board adopts CL Budget 2026-2027.**

## 1.0 Executive Summary

The 2026–2027 Draft Budget has been developed to align with the priorities of the Library Plan 2025–2029 and remains consistent with the longer-term Strategic Resource Plan (SRP). It maintains current service delivery across Connected Libraries’ seven branches, Library Lockers, and Outreach Van.

Consistent with the SRP, the Revised Budget does not include provision for further new service delivery points or major capital works. While Connected Libraries continues to explore opportunities for improved access and infrastructure—as identified in the Draft Facilities Development Plan 2023–2027 (updated February 2026)—any additional projects remain subject to future scoping and business case development.

Connected Libraries is primarily funded by the City of Casey and the State Government. While contributions from the State have remained steady, no indexation has been applied for the past three years. This presents financial challenges over the medium term; however, the organisation remains in a stable position and continues to actively manage resources to support service continuity and innovation, with reserves available to draw upon if required.

The Draft Budget reflects sound financial management principles, providing a clear and sustainable framework for the year ahead.

This table presents Connected Libraries' planned allocation of available resources, including prior year actuals, the current year budget, and the budget for 2026-27. It differs from the Expenditure figures shown in the Comprehensive Income Statement, as it excludes depreciation—which reflects the accounting treatment of past capital investment—and instead includes budgeted capital expenditure to capture planned future investment. This table is intended to give a more practical view of how resources are expected to be allocated across operations and projects over time.

### 2 - State Government Grants

The State Government establishes a funding agreement with each Library Corporation/Municipality. The current agreement expires June 30, 2026. The state funding is primarily calculated on population and in FY2026 there was a 0% increase in the amount received. For the 2026-27 Budget, it is assumed that 0% increase on State Government Funding will be received.

### 3 - Staff Resources

Employee costs includes salaries and wages, overtime, travel cost, staff training and development, and on-costs. Increases allow for banding adjustments and scheduled increases.

The current Enterprise Agreement expires on 23 November 2026 and all employment costs have been calculated to take into account the agreed salary increases and increase to the Super Guarantee Rate, as published by the ATO.

Not included in the 2027 budget is an additional funding call from Vision Super for Defined Benefits. The VBI of 103.8% as at December 2025 satisfies APRA's Superannuation Prudential Standard 160 (SPS 160) and a funding call is not anticipated at this time.

### 4 - Information & Communications Technology (ICT)

The budgeted ICT operational expenditure reflects the ongoing maintenance and support of core systems required for business-as-usual operations. It also allows for flexibility to respond to service delivery needs and priorities identified in the Library Plan. Expenditure levels have been aligned with current organisational requirements and are intended to support stable, reliable, and adaptable technology services over the life of the Plan.

**17/2026                      STRATEGIC RESOURCE PLAN 2026-2030*****Report prepared by Emily Ramaswamy*****Purpose**

To present the Board with Connected Libraries Strategic Resource Plan 2026-2030 for adoption.

*Library Plan 2025-2029 reference – 4.5*

**Background**

Connected Libraries' Strategic Resource Plan (SRP) identifies the resources required to support the strategic objectives set out in the Library Plan 2025-2029 and provides the financial foundation for their delivery. While the Library Plan is developed through broad consultation with the community, staff, and Board members, the SRP has been prepared internally by the Executive and Leadership Team, informed by Board decisions made during the 2025–2026 financial year.

**Discussion**

The SRP assumes the continuation of current service levels across Connected Libraries' seven branches, Library Lockers, and Outreach Van. It supports the delivery of priority actions from the Library Plan that are achievable within current financial parameters, including Member Council rate cap constraints. The SRP does not include budgeted revenue or expenditure for new service delivery points or major capital projects.

The SRP assumes no increase to Public Libraries Funding Program (PLFP) contributions over the four-year period. While this has a compounding effect on long-term financial capacity, Connected Libraries remains in a stable position due to reserves accumulated in recent years. Liquidity is not an immediate concern.

At the Connected Libraries April Meeting, the Board were presented the final Draft Strategic Resource Plan 2026-2030, it was resolved:

1. *That the CL Draft Strategic Resource Plan is updated to reflect Council 2026-2027 contribution of \$7,734,747.*
2. *That the Board endorses CL Draft Strategic Resource Plan 2026–2030 updated.*
3. *That CL forward the endorsed CL Strategic Resource Plan 2026-2030 to the City of Casey for approval.*
4. *That the Board notes CL Ltd will be required to adopt the CL Strategic Resource Plan 2026-2030 after the City of Casey advise formal approval.*

City of Casey considered and approved the endorsed CL Strategic Resource Plan 2026-2030 at its Council meeting on 26 May 2026.

Following Council's approval, the CL Limited Library Board can now consider the adoption of the Strategic Resource Plan.

**Conclusion**

The 2026–2030 SRP provides a balanced and sustainable approach to resourcing the Library Plan. It maintains existing services, supports achievable priorities, and reflects responsible financial planning in a constrained funding environment. The SRP will continue to be reviewed annually to remain responsive to emerging needs and opportunities.

**RECOMMENDATIONS**

- 1. That the Board notes that CL Strategic Resource Plan 2026-2030 was approved at City of Casey Council meeting.**
- 2. That the Board adopts CL Strategic Resource Plan 2026–2030.**

- Acknowledge our partners
- Celebrate success

## 1.0 Executive Summary

The Strategic Resource Plan (SRP) underpins the delivery of Connected Libraries' four-year Library Plan. While the Library Plan has been widely developed in consultation with the community, staff, and Board members, the SRP provides the financial framework to support implementation of its key actions.

The SRP assumes continuation of current service delivery across Connected Libraries' seven branches, Library Lockers, and Outreach Van. It supports the delivery of key actions from the Library Plan that are achievable within existing budgetary constraints and Member Council rate cap limits.

Importantly, the SRP does not include budgeted revenue or expenditure related to new service delivery points or significant capital projects. In alignment with the Facilities Development Plan 2023–2027 (updated February 2026) and the Library Plan 2025–2029, Connected Libraries continues to work with Council to explore options for improved library access in underserved areas.

Connected Libraries is funded by the City of Casey and the State Government. However, the continued lack of indexation or increase in State Government contributions is having a compounding impact. As costs rise and service demands grow, CL's financial capacity to maintain operations and respond to emerging needs is increasingly constrained.

The SRP's financial statements uphold principles of sound financial management, ensuring transparency and accountability in planning for sustainable service delivery.

This table presents Connected Libraries' planned allocation of available resources, including prior year actuals, the current year budget, and forecasts for the four years covered by the Strategic Resource Plan (SRP). It differs from the Expenditure figures shown in the Comprehensive Income Statement, as it excludes depreciation—which reflects the accounting treatment of past capital investment—and instead includes budgeted capital expenditure to capture planned future investment. This table is intended to give a more practical view of how resources are expected to be allocated across operations and projects over time.

### 2 State Government Grants

The State Government establishes a funding agreement with each Library Corporation/Municipality. The current agreement expires June 30, 2026. The state funding is primarily calculated on population and in FY2026 there was a 0% increase in the amount received. For the purposes of this SRP, it is assumed that 0% increase on Government Grants will be received each year.

### 3 Staff Resources

Employee costs includes salaries and wages, overtime, travel cost, staff training and development, and on-costs. Increases allow for banding adjustments and scheduled increases.

The current Enterprise Agreement expires on 23 November 2026 and all employment costs have been calculated to take into account the agreed salary increases.

Not included in the 2026 budget is an additional funding call from Vision Super for Defined Benefits. The VBI of 103.8% as at 31 December 2025 satisfies APRA's Superannuation Prudential Standard 160 (SPS 160) and a funding call is not anticipated at this time.

## 18/2026 ANNUAL ACTION PLAN 2026-2027

**Report prepared by Koula Kalaitzoglou**

### Purpose

To provide an overview of the Annual Action Plan for year two (2026-2027) of the Library Plan 2025-2029.

*Library Plan 2025-2029 reference – 4.5*

### Background

Connected Libraries delivers services in line with the strategic Library Plan 2025-2029. Each year of the plan, there is a new set of Actions along with Key Performance Indicators (KPIs) to enable the Board to monitor the performance of the organisation. These are the second-year actions and KPIs to be delivered under the four-year plan.

At the April meeting, the Board approved the KPIs, which are incorporated in the Operational Performance report as standard reporting indicators. Progress against the KPIs will be tracked and reported at each Board meeting (from August meeting onwards).

The KPIs were developed in consultation with Council's Head of Libraries, and Corporate Performance teams. Council is required to report several of the measures through the Local Government Performance Reporting framework (LGPRF). The KPIs are now attached to the 2026-2027 CL/Council Service Level Agreement.

### Discussion

The 2026–2027 Annual Action Plan has been developed with consideration of key library sector trends and initiatives, while ensuring alignment with relevant City of Casey strategies and priorities, including:

- City of Casey Council Plan 2025–2029
- Strong Communities Outcomes Strategy 2025–2029
- City of Casey Disability Inclusion Action Plan 2025–2029
- Smart Cities initiatives
- Building a Better Casey

Actions respond to sector trends including the growing digital divide and emergence of Artificial Intelligence in online information; community cohesion, workforce safety and development, and equity and inclusion for diverse communities.

Several actions included in year two build upon work commenced during the first year of the Library Plan, recognising that many strategic outcomes will be achieved progressively over the life of the four-year plan.

The development of the Action Plan involved consultation with library leaders and subject matter specialists. Community feedback gathered through the annual member survey and program participant evaluations has also informed priorities and planned actions for the year ahead.

### Conclusion

The 2026–2027 Annual Action Plan translates the core priorities of the Library Plan into tangible actions for the coming year. It supports Connected Libraries' purpose of inspiring curiosity, fostering community connection, and providing trusted access to information, while ensuring alignment with community

## RECOMMENDATIONS

1. That the Board notes Connected Libraries Annual Action Plan for 2026-2027.

**STRATEGIC OUTCOME 1: Discovery and Learning**

**Key Objectives:**

**Provide diverse and inclusive resources:** Ensure our physical and digital collections reflect the rich local history, diversity, and current needs of our community, supporting equitable access to accurate information and knowledge.

**Develop digital and technology skills:** Deliver programs and resources to encourage responsible and effective use of existing and emerging technologies.

**Foster a love of reading:** Provide easy access to reading material (for information and recreation) to promote love of reading and support the development of literacy.

**19/2026 ANNUAL RISK REVIEW****Report prepared by Beth Luppino****Purpose**

To provide the Board with a draft organisational Risk Appetite Statement and updated Risk Management Plan to support the annual review of Connected Libraries Ltd risk management framework.

*Library Plan 2025-2029 reference – 4.5*

**Background**

The Board has overarching responsibility for Connected Libraries' risk management framework. This forms part of the governance responsibilities required of the Directors under the Corporations Act.

The Board's role is to ensure CL's risk framework is sound and to oversee the effective operation of the framework, while CL's Executive Team is responsible for designing and implementing the framework. The framework consists of compliance documents and policies, strategic plans, and processes that help to identify and control risks related to the organisation. A Risk Management Policy is endorsed annually by the Board (*see report 11/2026 Organisational Risk of the April meeting*).

CL has a Risk Management Plan that identifies strategic, operational and psychosocial risks, along with mitigation and control measures, and rates these risks against an impact matrix. The Risk Plan is reviewed quarterly by the Executive Team and then presented to the Board, and the Board has committed to conduct a more detailed review of the plan on an annual basis.

CL Board does not yet have an established Risk Appetite Statement, however the attached draft may now be considered and if thought fit adopted to support future planning.

**Discussion****Risk Appetite Statement**

Attached is a draft Risk Appetite Statement for the Board's consideration. In developing the Statement, consideration was given to CL's headline (most significant) risks, community expectations, and emerging risks on the horizon.

The Australian Institute of Company Directors (AICD) states that in setting a risk appetite for the organisation, the Board should consider:

- *stakeholders' expectations;*
- *the organisation's strategy, including purpose, vision and values, objectives and business plans;*
- *organisational capabilities—the skills, resources and technology necessary to manage and monitor risk exposures in the context of the risk appetite, including risk culture;*
- *the environment in which the organisation operates to incorporate changing industry and market conditions; and*
- *the organisation's risk capacity—the maximum level of risk available to the organisation given its capital, funding and obligations to stakeholders.*

**Headline Risks for CL:**

1. Workforce – continuity of staffing resources and welfare of employees
2. Funding - reduced funding from either of the major sources will result in reduced services
3. Reputation – Incidents that damage local and sector reputation of libraries
4. Cyber-attack – protection measures
5. Community unrest and civil disturbance – emerging pressures on community and result on workforce

**Risk Management Plan**

Connected Libraries has a well-established Risk Management Plan outlining the strategic, operational and psychosocial risks impacting the company.

The Psychosocial Risks have been recently reviewed and updated after an employee survey, with the results assessed and reported independently by Converge (see 21/2026 Organisational Risk report).

The Board reviews the Plan on a quarterly basis, however overtime opportunities for improvements have been identified by Directors and these have been made in this draft Risk Management Plan 2026-2027.

Key changes include:

| No. | Section      | Risk descriptor                                     | Change/s made                                                                                                                                                                              |

## Conclusion

The Board oversees the Risk Management framework for Connected Libraries. The framework includes a Risk Appetite Statement, Risk Management Plan, along with a range of policies, procedures and compliance processes. Connected Libraries is a not-for-profit entity, with a strong reputation and brand in the community. The Board considers current and emerging trends and environmental changes that may impact the risk environment in which we operate.

## RECOMMENDATIONS

1. That the Annual Risk Review Report be noted.
2. That the Board endorses the Risk Appetite Statement.
3. That the Board endorses the Risk Management Plan 2026-2027.

# Connected Libraries Limited

## Risk Appetite Statement

### 1. Purpose and Context

This Risk Appetite Statement defines the level of risk Connected Libraries is willing to accept in delivering accessible, inclusive, and outstanding library services to the community.

As a not-for-profit charity organisation, we operate in a trusted, community-facing environment, balancing innovation in services with strong stewardship of public funds, collections, digital assets, and community relationships.

The principal purpose of Connected Libraries is to operate library branches and provide library services within the City of Casey including resources, digital services and programs aimed at meeting the information, recreational, educational, placemaking, business, economic and cultural needs of the diverse community.

Connected Libraries delivers these services in an equitable, effective, efficient, responsive and forward-looking manner.

## 2. External Environment

The public library environment continues to evolve, impacted by broader environmental, social, political and economic influences.

**Funding:** Primarily funded through local and State Government, CL's revenue is dependent on annual contributions approved by these external bodies, that are affected by political and economic trends. With a focus on the provision of free services to the community, there is limited opportunity for additional income through fees and service charges. There is some opportunity to pursue additional revenue through grants, sponsorship and tax-deductible donations.

**Reputation:** While Connected Libraries is now an entity listed with the ACNC, the long history of the library service as a local government organisation means that many library users and broader community members expect that CL will operate with the same level of public service standards as Council. A decision made by Council is often perceived to be that of Connected Libraries, and visa versa. The library is seen to be a safe, inclusive space where everyone is welcome.

**Workforce:** The workforce is made up of predominantly part-time female workers. Library hours of operation mean that most employees must include evening and weekend shifts as part of their regular work. There is an expectation that working conditions will benchmark favourably with the broader public library sector.

**Community pressure:** A general increase in pressure on daily demands and cost of living causing stress in the community is leading to a rise in frontline library workers experiencing more frequent incidents, at times involving violence and aggression.

**Cost of service:** Increases in general cost of service delivery, including library supplies and employee costs, is resulting in a requirement to 'do more with less'. This results in the requirement for leaner administration, and an increased pressure on the workforce.

**Social support:** Vulnerable community members continue to rely on the library service to meet their everyday needs in terms of access to information and technology, low-cost and free enrichment activities, educational support, links to other essential services and literacy development.

## 3. Risk Philosophy

The Board recognises that responsible risk-taking is necessary to remain relevant, expand reach, and improve services. Our approach is guided by:

- Protecting community safety and inclusion
- Maintaining public trust and reputation
- Safeguarding collections, data, and assets
- Ensuring financial sustainability and accountability
- Supporting innovation in literacy, learning, and digital access
- Providing a safe and inclusive workplace

## 4. Key Principles

Strategic and Operational decisions must remain based on the following:

- Safety of people is never compromised
- Legal and regulatory obligations are always met
- Financial decisions are sustainable and transparent
- Risks are identified, assessed, and managed proactively
- Activities align with mission, values, and community expectations

## 5. Risk Appetite Summary

Connected Libraries' approach to risk tolerance to support business can be summarised as follows:

- **Willing to take measured risks** to enhance services, expand access, and adopt new technologies
- **Low tolerance** for risks affecting service continuity or financial sustainability
- **Very low tolerance** for risks impacting safety, legal compliance, or reputation
- **Zero tolerance** for harm to vulnerable people or safeguarding failures

## 6. Risk Appetite by Key Area

## 7. Risk Framework

The organisation manages risk through:

- A risk plan reviewed quarterly
- Accountability clearly articulated for Board and Executive level
- Defined controls and mitigations
- Regular reporting on key risks and incidents
- Incident reporting system (Elumina) that captures, escalates and reports on OHS and Psychosocial risks
- Periodic review of emerging risks (e.g., digital trends, funding changes)

## 8. Board Oversight

The Board is responsible for:

- Setting and reviewing risk appetite
- Monitoring risks in relation to CL's tolerance/appetite
- Ensuring appropriate controls are in place
- Supporting management in balancing innovation and prudence

## 9. Review

This statement will be reviewed annually or following significant changes in:

- Strategy or funding environment
- Service model or scale
- Regulatory requirements

| <b>Decline in visitation</b>                                                           | GMCE      | Lack of access to libraries in new housing areas means visitation is not keeping pace with population growth. Casey communities are time-poor, and the library competes with many other activities in peoples daily lives. Limited access to reliable public transport, combined with rising fuel costs may further reduce visitation as residents face increased barriers to travelling to our libraries. Staff facing the same limitations and barriers could result in reduced library opening hours. | Declining visitation may impact on CL's ability to advocate for new libraries and increased funding. This in turn could impact existing service provision.                                                                                                                                                                                                  | 3          | 4           | 7           | Promotion of library services<br>Create spaces that attract communities for a variety of uses<br>Advocate for new libraries in growth areas to enable community access<br>Identify new service delivery models that meet community needs<br>Increase digital services where community are unable to visit branches | 2          | 4           | 6           |

| <b>Censorship and challenges to intellectual freedom</b>                        | CEO  | Library collections contain a wide range of political, religious and social views. In recent years, it is becoming more common for libraries to receive challenges on collection items by members of the community. | CL experiences pressure to remove or include items which could prevent members gaining full information access. This undermines fundamental right to freedom of information and places CL in ethical conflict. | 4          | 4           | 8           | Collection Development Policy articulates which items should be included and excluded from the collection. Challenges on particular titles can be discussed more broadly with sector to take a uniform approach, while protecting fundamental rights to information.                                                                                                                            | 2          | 4           | 6           |

**Income**

- Contributions – City of Casey
  - The significant increase in the Recurrent Funding line is due to the City of Casey paying the June monthly contribution earlier than usual. This will correct itself in comparison to budget during June, with Council Contributions expected to finish the year \$25k less than budget. This is due to the timing of Clyde Township Library Lounge opening, \$45k of cost savings being passed on to Council. \$15k of these savings were approved by Casey to be reallocated towards an expansion of the Library Lockers in high demand at Manna Gum.
- Funding from other levels of government
  - Unbudgeted grant was received to set up and run the Reading Buddies program in partnership with Windermere. As this project crosses into next financial year, a portion of this revenue will be attributed to Income in Advance, to be recognised in FY2027.
  - Be Connected (Digital Literacy) grant was awarded to CL, this grant was previously recorded in Other Income in prior years, and included in the budget line. There will be a matching shortfall in Other Income due to this reclassification.
- Other Income
  - Reallocation of revenue classification and the late cancellation and refund of meeting room bookings are expected to be a permanent variance.
  - Interest on Investments – the organisation with assistance from City of Casey has tightly managed cash flow during the year, maintaining a high level of invested funds in Term Deposits. It is expected that a total of \$145k of interest earnings will be achieved this financial year.
  - A further donation has been received from Robin and Arnis Dziedins. This additional income will support the purchase of more Library Locker space for Cranbourne West, along with an expansion of items available for community to borrow through the Library of Things collection. Expenditure (and depreciation expenses) on the projects funded by this donation are expected to cross over into the following financial years.

**Expenditure**

- Employee costs
  - Costs are currently within budget, forecast to be underspent at the end of June, with several vacancies across the organisation. \$44k planned underspend with the opening of Clyde Township Library Lounge occurring slightly later in the year than initially hoped due to existing facility bookings. Vacancies in the Digital Operations area, have been offset with increased external support being utilised as backfill.
- Materials and services
  - IT & Communications - Overspend in IT is largely due to the reliance on external technology support to provide backfill of vacant position and staff leave.
- Depreciation
  - Based on YTD purchasing and assets owned at the beginning of the year, depreciation is expected to be within \$30k of budget.
- Other expenses
  - It is expected the Freight will be overspent during the year by at least \$10k, due to higher than anticipated courier fuel surcharge costs. CL will monitor this cost area closely and look to ways to achieve cost efficiencies where possible.
  - Some external consulting costs may need to roll forward into next financial year, due to project team availability.

### Capital Expenditure

- Books and materials
  - The current underspend in this area is considered to be timing related. In the delivery of the Clyde Township Library Lounge, savings were able to be achieved in Furniture & Equipment, which allowed for funds to be reallocated to purchasing collection.
- Furniture & equipment
  - All budgeted furniture & equipment Capital Expenditure is expected to be spent in line with budget. Additional unbudgeted projects where unbudgeted funding was received will appear as a negative variance.

### Bank Reconciliation

Available upon request.

### Procurement Policy

The Procurement Policy has undergone its annual review, with only minor updates identified. An updated, clean version of the policy is attached for Board members' consideration.

### 2025-26 VAGO Audit

The below dates outline the schedule for 2026 Financial Statement Audit with VAGO:

- Planning – 14 April – 17 April (Completed)
- Interim – 29 June – 03 July
- Year end – 12 October – 16 October

### CCLC wind up

Liquidators continue to complete the required steps to wind up Casey Cardinia Library Corporation. Rogers and Reidy are awaiting a tax clearance certificate from the ATO before they can proceed with the final member distribution. Noting that this may be received after 30 June.

### Conclusion

Connected Libraries is managing the current environment with measured financial decisions. Connected Libraries is in a sound financial position.

### RECOMMENDATIONS

1. That the Finance Report be noted.
2. That the Board endorses the updated Procurement Policy.

## 1 PURPOSE

The purpose of this Policy is to:

- ensure consistency, transparency and accountability in all procurement activities undertaken by Connected Libraries Limited (CL);
- demonstrate responsible and ethical financial management to stakeholders;
- support the achievement of CL Ltd's charitable purpose and public benefit obligations through value-driven and socially responsible purchasing;
- facilitate effective, sustainable procurement practices that achieve value for money over the full lifecycle of goods and services; and
- increase the probability of obtaining the best outcome for CL when purchasing goods and services.

### Values

CL's organisational values underpin the expectations and behaviours outlined in this document.

## 2 SCOPE

This Policy applies to all contracting and procurement activities at CL and is binding upon Board Directors, Library employees, temporary employees, volunteers, contractors and consultants while engaged by CL.

All CL's procurement activity is subject to the applicable:

- Legislative and regulatory provisions in the Corporations Act 2001, Competition and Consumer Act 2010 and in line with ACNC Governance Standards.
- Promulgated guidelines (including Victorian Local Government Best Practice Procurement Guidelines 2024).

This Policy ensures that CL contracting and purchasing activities:

- Support the strategies, aims and objectives of CL
- Achieve value for money and quality in acquiring goods
- Are shown to be undertaken fairly and in an ethical manner
- Seek continuous improvement, value for money and quality
- Support local business, encourage sustainable business practices and social procurement principles where possible.

## 3 POLICY STATEMENT

The following principles apply to all aspects of CL's procurement.

### 3.1 Value for Money

All persons engaged in purchasing decisions must aim to obtain best value-for-money for CL.

Value-for-money will take into account all of the relevant costs and benefits of each proposal throughout the entire procurement cycle. While cost will be a major consideration, goods, services and works will also be selected on the basis of the degree of compliance with specified quality standards.

CL will seek to minimise the cost of procurement by:

- Ensuring that all procurement needs, and outcomes are clearly defined
- Packaging works and services in a manner that encourages competition
- Measuring ongoing performance, savings and benefits by conducting buying and tendering process efficiently

- Ensuring contracts are managed effectively and efficiently.

### 3.2 Ethics and Probity

CL's procurement activities shall be performed with integrity and in a manner able to withstand the closest scrutiny.

All persons engaged in CL procurement must exercise the highest standards of probity and will:

- Treat potential and existing suppliers with fairness and equality
- Not seek or receive personal gain
- Maintain confidentiality of commercial information such as contract prices and other sensitive information
- Deal with suppliers in an honest and impartial manner that does not allow conflicts of interest
- Provide all suppliers and tenderers with the same information and equal opportunity
- Be able to account for all decisions and provide feedback on them.

### 3.3 Conflict of Interest

Board Directors and members of staff (and all persons engaged in procurement on CL's behalf) have an overriding responsibility to act impartially and with integrity, avoiding conflicts of interest (Corporations Act 2001).

Board Directors and members of staff shall at all times avoid situations in which private interests conflict or might reasonably be perceived to conflict or have potential to conflict with their CL duties.

### 3.4 Fair and Honest Dealing

All prospective providers must be afforded an equal opportunity to tender or quote. Impartiality must be maintained throughout the procurement process.

The commercial interest of existing and potential providers must be protected. Confidentiality of information provided by existing and prospective providers must be maintained at all times. Confidentiality includes but is not limited to prices, discounts, rebates, profit and manufacturing and product information.

### 3.5 Accountability and Transparency

All persons engaged in procurement must be able to explain and provide evidence of the process followed in purchasing on behalf of CL. The test of adequate accountability is that an independent third party must be able to clearly see that a process complying with this Policy has been followed and that the process is fair and reasonable.

### 3.6 Responsible Financial Management

The principles of responsible financial management shall be applied to all procurement activities.

Accordingly, to give effect to this principle, the availability of existing funds within an approved budget, or source of funds shall be established prior to the commencement of any procurement action for the supply of goods, services or works. *(Refer to other policies that interact with procurement).*

Staff must not authorise the expenditure of funds in excess of their financial delegation.

### 3.7 Gifts and Hospitality

No Board Member or member of staff shall, either directly or indirectly solicit gifts or presents from any member of the public involved with any matter that is connected with the duties of the officer, or in which CL is interested.

Staff are referred to the CL's Gifts and Hospitality Policy for details. [Gifts and Hospitality Policy](#)

Board Directors and member of staff (and all persons engaged in procurement on CL's behalf) must adhere to relevant CL Policies and Procedures on Gifts and Hospitality.

### **3.8 Procurement Thresholds and Competition**

Purchase of all goods and services with an estimated expenditure exceeding \$150,000 shall be undertaken by public tender as per the thresholds contained in the Local Government Act. The thresholds must represent the estimated value of the whole of term of the contract i.e. the initial term plus the value of any options to extend the initial contract term and are to be inclusive of GST.

As an alternative however, purchases can be made through an approved purchasing scheme provided that the particular scheme has been nominated by CL to act on its behalf and CL has been nominated in the purchasing scheme's tender documentation and a competitive tendering process has been undertaken.

Should the CEO consider that the nature of the requirement and the characteristics of the market are such that the public tender process would lead to a better result for the CL, public tenders may be called for purchase of goods, services and works for which the estimated expenditure is below these thresholds.

### **3.9 Quotations, Specification and Tenders**

Purchases below the Local Government Act public tender thresholds shall be undertaken as follows:

- Purchases with value between \$500 and \$5,000
  - Purchase order must be raised.
  - Only one quotation required.
- Purchases with value between \$5,001 and \$10,000
  - Purchase order must be raised.
  - Two written quotations required to be recorded.
- Purchases with value between \$10,001 and \$150,000
  - Purchase order must be raised.
  - Minimum of three written quotations required to be recorded.
- All pricing is exclusive of GST.

As an alternative, procurement can be made through an annual supply contract, a service supplier contracted to CL or through a Government approved agent under ministerial order.

The situation may arise where insufficient quotations can be obtained to satisfy the above requirements.

This may occasionally occur where there are few suppliers for the goods, services or works being sought or the work is highly specialised. In this case, the details of the contacted suppliers must be recorded, or recommendation and an appropriate comment recorded and an exemption from procurement process be sought.

### **3.10 Use of Corporate Credit Cards**

Connected Libraries has four (4) Westpac Bank Credit Cards to be used in circumstances outside of normal purchasing routines, these cards are allocated to the members of the Executive Team.

The cards are intended to facilitate the purchase of goods or payment for services when the normal invoice/accounts payable routines are not possible or inappropriate. Examples of such circumstances are:

- Booking of airline tickets for conference travel
- Booking accommodation for conferences
- Purchase of software or other items over the Internet

- Where a supplier is not able to provide a credit account or does not support the payment of goods/services via EFT.

Purchases made using the Corporate Credit cards are to be within the approved budget lines or the source of funds needs to be established prior to the commencement of purchase for any goods, services or works.

Under no circumstance may a Corporate Credit Card be used for private or personal purchases.

Unauthorised staff or personnel must not use or divulge a Corporate Credit Card number, and the Card PIN must only be used by the Credit Card Holder and may not be divulged to any other staff member or person.

After using the Credit Cards to undertake a transaction, a New Item transaction record must be completed within SharePoint and a valid receipt/tax invoice attached.

Withdrawal of cash using the Corporate Cards is strictly prohibited.

Any unauthorised transactions on the Credit Card Statement (eg. fraudulent or unidentified transactions) are to be reported to the Accounts Department as soon as they detected.

A lost or stolen card must be reported to the Accounts Department immediately.

The Chief Executive Officer is responsible for signing off monthly bank credit card statements for the members of the Executive Team, while the Chairperson of the Library Board is responsible for signing off monthly bank credit card statements for the Chief Executive Officer.

### **3.11 Internal Controls**

CL will establish and maintain a framework of internal controls over procurement processes that will ensure:

- More than one CL employee is involved in each transaction
- A clearly documented audit trail exists for procurement activities
- Appropriate authorisations are obtained and documented
- Systems are in place for appropriate monitoring and performance measurement
- Ensure contract and arrangement are managed effectively and efficiently.

All persons engaged in procurement activities must diligently apply all internal controls.

### **3.12 Risk Management**

CL will manage all aspects of its procurement activities in such way that all risks, including occupation health and safety, are controlled to the standards required by law.

### **3.13 Sustainability**

CL is committed to achieving environmental sustainability and supporting initiatives that have an impact on or contribute to the environment.

CL supports sustainable procurement practices including:

- Buying locally produced products and services
- Buying products that have recycled content eg paper
- Engaging suppliers who support sustainable business practices
- Buying durable products that have guarantees

Value-for-money purchasing decisions made by CL are made on the basis of whole-of-life cost and non-price factors impact of CL procurement on environment.

### **3.14 Support of Local Business**

CL is committed to buying from local business where such purchases may be justified on value-for-money grounds.

### 3.15 Social Procurement

CL is committed to employing Social Procurement principles where practicable to help create positive social change. For example, encouraging the procurement of goods and services from Aboriginal and Torres Strait Islander businesses when appropriate.

##### Incident Reports

Overall incidents for 2025–2026 year-to-date have decreased significantly (21.2 percent) to 130 compared to 165 for the same period last year. This demonstrates a positive improvement and reflects the ongoing efforts of staff to maintain safe and welcoming library environments. Most library locations recorded a reduction in incidents, with the most significant decreases occurring at Hampton Park (-57.58 percent), and Endeavour Hills (-52.38 percent). However, it is worth noting that there was one significant incident at Hampton Park in June, just outside this reporting period. This involved patron to patron behaviour, with injury caused to one patron and police involvement.

Cranbourne Library was the only location to record a slight increase in incidents, rising from 23 to 24 incidents (+4.35 percent). While the increase is minimal, incident trends at Cranbourne Library will continue to be monitored to identify any emerging patterns and ensure appropriate responses are implemented if required.

Near miss incidents (no injuries) for 2025–2026 year-to-date have decreased significantly to 98 compared to 143 for the same period last year, representing a 31.47 percent reduction. This continues the positive trend in reducing safety-related incidents across the organisation. Several categories recorded substantial decreases, particularly incidents involving inappropriate patron behaviour. Inappropriate patron behaviour towards staff decreased by 55.88 percent, inappropriate patron-to-patron behaviour decreased by 55.56 percent, and general inappropriate patron behaviour decreased by 38.89 percent.

A small number of categories recorded increases during the reporting period. Slip, trip or fall incidents increased from 11 to 18 incidents (+63.64 percent). These incidents continue to primarily involve community members falling from chairs or tripping while walking within library facilities, including on stairs. The "Other" category also increased from 1 to 11 incidents; however, this reflects a broad range of unrelated incidents rather than an emerging trend in a specific risk area.

Incidents involving injuries for 2025–2026 year-to-date have increased to 32 compared to 22 for the same period last year, representing a 45.45 percent increase. While this reflects a higher number of reported injury incidents, the majority were minor in nature and required only basic first aid treatment, such as the application of a band-aid. The largest categories of injury incidents were minor first aid cases involving patrons (8 incidents) and slip, trip or fall incidents (6 incidents), together accounting for almost half of all recorded injuries. Pleasingly, slip, trip and fall incidents decreased by 25 percent compared to the previous year, despite remaining one of the more common injury types. Staff-related first aid incidents also increased, with three minor first aid cases and two major first aid cases recorded during the reporting period.

#### Monitoring Psychosocial Incidents

Psychosocial hazard incidents for 2025–2026 year-to-date total 30 incidents. Monthly reporting shows relatively low incident numbers throughout the year, with no psychosocial incidents recorded in March, followed by a slight increase in April (4 incidents) and May (6 incidents). Psychosocial incidents are concentrated primarily at Doveton (13 incidents), Bunjil Place (8 incidents), and Cranbourne (7 incidents), which together account for the most reported incidents.

Violence and aggression remains the most frequently reported psychosocial hazard, accounting for 17 incidents (56.7 percent of all psychosocial incidents). Exposure to traumatic content and events accounted for 5 incidents, followed by job demands (4 incidents) and sexual harassment (4 incidents). No incidents were recorded in the remaining psychosocial hazard categories.

As psychosocial hazard reporting was introduced in November 2025, trend data remains limited. However, the information collected is providing valuable insight into workplace psychosocial risks and will continue to support targeted prevention strategies, staff wellbeing initiatives, and organisational risk management procedures.

## **Risk Management**

### **Fuel Crisis – Business Continuity**

We continue to monitor the potential impacts of fuel prices and broader economic conditions on organisational operations and service delivery. Following the reduction in fuel excise, there have been no material impacts on library services, visitation, programs, outreach activities, or operating costs during this reporting period. As a result, no changes have been made to the current risk ratings or mitigation strategies associated with fuel-related risks.

Noting that news of a peace deal between the US and Iran may bring longer term improvements to the cost and availability of fuel, we will continue to monitor impacts on service delivery, procurement costs, and operational activities as required.

### **Converge – Psychosocial Risk Staff Survey**

Converge's Psychosocial Hazard Assessment was used to gather and assess data across 14 psychosocial hazards and to assist in determining the severity and likelihood of each risk. The survey was sent to all employees via an email link on 2 March 2026, closing on 20 March 2026.

Our results have most indicators either right on or close to the benchmarked average (note: benchmark is broader than the library sector, covers all sorts of organisations).

Our top four risks are in line with most organisations – stands to reason as these are very people-centred indicators. Our top four risks are Organisational Justice, Change Management, Workplace Relationships and Job Demands.

Risks in our results that are higher than the benchmark included Exposure to Traumatic events, Violence and Aggression, and Sexual Harassment. These risks relate to our work with community in frontline service.

CL's Health and Wellbeing team will look at the results and work on a Health and Wellbeing Strategy that specifically considers insights from the results. This is now an item to be completed in the 2026-2027 Action Plan.

The below graph shows the Connected Libraries' survey results according to each psychosocial hazard in order from the highest hazard (organisational justice) to the lowest (remote and isolated work). This is compared to the benchmarked average (n = 11,818) for all survey results. Industry benchmark data was not available.

### Quarterly Risk Management Plan review

The Risk Management Plan is reviewed by the Board each quarter and undergoes a comprehensive annual review.

During this quarter, the psychosocial risk profile was updated following analysis of the staff psychosocial hazards survey results:

- Likelihood, consequence ratings, and mitigation strategies for Workplace Relationships, Job Control, Job Demands, and Recognition and Reward have been updated to better reflect the staff psychosocial hazards survey results and identified psychosocial risks across the organisation.
- The psychosocial risks relating to Exposure to Traumatic Events, and Violence and Aggression were also reviewed. While the overall risk rating remains unchanged at 8, additional mitigation strategies have been incorporated, including the engagement of security guards where required and the temporary relocation of staff to support recovery following incidents.
- The Sexual Harassment risk assessment was updated, including revisions to likelihood and consequence ratings. Additional mitigation strategies have been introduced to support staff in managing incidents involving patrons accessing sexual or inappropriate content on public computers.

Any other proposed changes to Operational and Strategic Risks have been included in the draft tabled in *18/2026 Annual Risk Review report* for Board consideration.

#### External Cybersecurity Review

Information security company, Dvuln, was engaged to assess Connected Libraries against the NIST Cybersecurity Framework (CSF) v2.0, drawing on document review, a Microsoft tenant technical validation, and a structured workshop with the executive and IT leadership.

Report summary prepared by Dvuln:

*Connected Libraries has invested well in foundational controls, with genuine strengths in endpoint detection and identity, while the assessment identified the greatest opportunity for uplift in incident response, recovery and third-party governance.*

*The assessment recorded twenty-eight findings. Consistent with a NIST maturity review, these are recorded as informational observations rather than vulnerability severities. The focus is how documented, consistent and repeatable each control is, measured against the NIST CSF implementation tiers and benchmarked to a target of Tier 3.*

*Maturity in this report is rated against the NIST Cybersecurity Framework implementation tiers: Tier 1 (Partial), Tier 2 (Risk Informed), Tier 3 (Repeatable) and Tier 4 (Adaptive). Tier 3, Repeatable, means cyber security practices are documented, applied consistently across the organisation, and repeatable regardless of which individuals are involved, rather than*

*depending on personal knowledge or ad hoc effort. Tier 3 is the level widely recognised as the appropriate target for organisations of Connected Libraries size and risk profile, so it is used here as a standards-anchored goal rather than an arbitrary score. It is deliberately not the maximum, as Tier 4 (Adaptive) is reserved for organisations that continuously self-improve and is generally beyond what a community library requires.*

Each remediation recommendation provided by Dvuln will be assessed throughout the coming months by the Executive and relevant teams, to determine operational and financial viability. Recommendations contained in the Cybersecurity Review Report will be included as part of the Annual Risk Review discussion, but not circulated as part of this agenda to limit access and prevent external distribution.

### **Conclusion**

Connected Libraries continues to identify and control key risks impacting the organisation.

\*\*Revised targets presented/updated to Board -June 2025

With one month remaining in the 2025-2026 financial year, overall performance is strong, outpacing the previous year. However, most areas are tracking at more than 65 percent of their annual targets, which means likely falling short of these targets at end of June. Targets for 2026-2027 have been more closely aligned with this year's actual performance.

Physical loans remain the lowest performing measure at 67.5 percent of target, although this represents a slight improvement of 0.24 percent compared with same point last year (2024-2025). Digital loans continue to be the strongest performer, having already exceeded target (149.2 percent) and are up 23.9 percent compared with the same period last year.

### Library Usage (Library Plan reference 4.3)

Physical visits have increased month on month for 2026, reaching over 80,420 in May. This represents the third month in a row where visits have exceeded 70,000.

The May increase was primarily driven by strong visitor growth at Bunjil Place library. Month on month variations could also be attributed to public holidays with branches closed in previous months. Overall year on year, physical visits are up 9.10 percent for the same period.

Virtual visits continue to perform strongly across both the website and CL App. In May virtual visits exceeded 95,000 – making this the first time Connected Libraries have surpassed 90,000. This increase was largely driven by the website and CL app, reflecting a positive upward trend in digital engagement. CL App visits were up 6.73 percent from April to May, and 19 percent up year to date on the previous year. Website visits were up 23.6 percent from April to May, and 15 percent up year to date on the previous year.

The website traffic increase in May is likely attributed to a couple of big events that were offered including Rhys Nicholson, National Simultaneous Storytime and National Reconciliation Week.

Membership has remained steady with small increases month on month, with 101,066 members at the end of May 2026.

Physical loans followed a similar trend to physical visits, a strong performance in March, decline in April followed by an increase by 3.39 percent in May. Year on year for the same period, physical loans are stable, recording a slight increase of 0.24 percent.

Library lockers across the four locations, including the addition of Clyde Township Lockers, continue to perform well, with overall usage up 32.89 percent year to date compared with the same period last year.

eLoans remain highly popular, and consistent in recent months, once again following the same trend as visits and physical loans, strong in March, dropping in April and bouncing back up in May reaching 123,000. Year to date, eLoans are up by 23.9 percent compared with the same period last year. We continue to register eLoans over 90,000 since January 2025.

## eNewsletter database Cleanup

In mid-May 2026, the Marketing team undertook a database cleanup for our eNewsletter, removing email addresses that had not opened an email from Connected Libraries in the last 18 months or more. The database cleanup resulted in 15,619 inactive email addresses removed and an active current subscriber database of 74,486.

### Key Benefits

- Improved engagement metrics  
Removing inactive subscribers means reported open rates and click rates are more accurate, giving a clearer picture of how engaged our audience really is.
- More targeted communication  
The remaining database of 74,486 subscribers represents a more engaged audience who are actively interested in Connected Libraries news which should increase “open rates”.
- Reduce costs  
By removing 15,619 inactive email addresses, we reduce the number of credits used for each campaign, helping our prepaid Campaign Monitor credits last longer and improving value for money.
- Supports privacy and best practice  
Regularly reviewing and removing long-term inactive contacts is good database management practice and ensures we maintain a healthy, relevant communications list.

A database cleanup will be done annually at the end of financial year in May/June.

## Programs and Events

Program sessions and attendance continue to show strong performance. Our regular weekly programs - baby time and toddler time remain the most popular offerings for children and young audiences in recent months. These are followed by groups visits, both in the library and through outreach visits as well as storytime and STEAM activities.

Early childhood and children continue to be a key focus for program delivery with literacy and lifelong learning remain the most prominent outcomes of our programming.

## RECOMMENDATIONS

1. That the Operational Performance Report be noted.

**23/2026 LIBRARY PLAN – 2025-2029 – ACTIONS AND ACHIEVEMENTS*****Report prepared by Koula Kalaitzoglou*****Purpose**

To provide the Board with key achievements from the Library Plan 2025-2029, specifically activities related to 2025-2026 Action Plan.

*Library Plan 2025-2029 reference –4.5*

**Discussion****Connected Libraries Annual Action Plan 2025-2026**

Connected Libraries is approaching the end of the first year of the Library Plan 2025-2029 and the Action Plan 2025-2026. CL continues to deliver in line with the Action Plan, with most actions either completed or on track for completion by the end of the financial year. This report highlights some examples of key areas of achievements recently.

**Strategic Outcome 2: Stronger Connections**

Through these actions Connected Libraries will create opportunities for connection, enhance health and wellbeing, develop partnerships that amplify our impact and bridge gaps to essential information, and connect community to topical information.

Highlights include:

**Core Priority 2.3 - Design and implement programs that strengthen community connection, foster cultural harmony, and support intergenerational engagement.**

- Action – Deliver events and programs that celebrate diversity and build community connections
- Celebrating Boonwurrung Culture – National Reconciliation Week

During National Reconciliation Week, Bunjil Place Library hosted two workshops facilitated by Jaeden William-Briggs, a proud Yalukit Willam man of the Boonwurrung. Through storytelling, history, and art, the sessions shared Boonwurrung culture and encouraged reflection on connection to Country, community, and culture.

In a workshop for adults and young people, Jaeden shared his family's longstanding advocacy for Aboriginal rights, including the legacy of his ancestor Louisa Briggs (1836–1925), a Boonwurrung leader who worked at Coranderrk Aboriginal Station and advocated for the welfare and employment rights of Aboriginal people. He also highlighted the ongoing cultural leadership of descendants, including Auntie Caroline Briggs and Auntie Fay Stewart-Muir, who continue to preserve and share Boonwurrung language and cultural knowledge. Participants reported gaining new insights into local Aboriginal history and valued the opportunity to hear contemporary perspectives on Boonwurrung culture and experience.

In a separate session for primary school-aged children, Jaeden shared the story of Bunjil, the Creator Spirit, and guided participants in creating artworks inspired by Boonwurrung motifs. The workshop explored the importance of caring for Country and introduced the Boonwurrung six-season calendar, supporting children to deepen their understanding of seasonal and environmental connections.

As part of the program, the library also displayed a rare portrait of Wurundjeri Woi-wurrung man Ginnin, on loan from the Royal Historical Society of Victoria. Painted in 1840, the portrait provides an important historical record of a period of significant disruption following European settlement. A presentation by Local History Team Leader Helen Stitt explored Ginnin's role as a ngurungaeta (leader) and the experiences of Wurundjeri and Boonwurrung peoples during the early colonial period, highlighting both profound loss and enduring resilience.

- Rhys Nicholson IDAHOBIT event

In recognition of International Day Against LGBTQIA+ Discrimination (IDAHOBIT) Connected Libraries in partnership with City of Casey, hosted an event featuring Rhys Nicholson.

Rhys Nicholson is an award-winning Australian stand-up comedian, author and actor with extensive television and stage experience, including appearances on Taskmaster Australia, RuPaul's Drag Race Down Under, Fisk, The Imperfects, and The Weekly with Charlie Pickering. In 2023, they released their debut book Dish.

The session comprised an hour of storytelling, book readings from Dish, and audience Q&A. The author shared selected excerpts from the book and connected with the audience through reflections on themes explored in the work.

The program provided an opportunity for community members to hear from Rhys, a contemporary LGBTQIA+ voice in literature and performing arts, while also celebrating the broader inclusive theme of IDAHOBIT.

Following the session, attendees enjoyed book signings, photographs, and informal engagement with the speaker.

This event highlighted library's continuing role in supporting inclusive programming and strengthening community awareness, participation, and engagement.

## Conclusion

Connected Libraries continues to deliver on the Action Plan 2025-2026 in line with the Strategic Outcomes in the Library Plan 2025-2029. These activities will be reflected in the Annual Report at the end of the financial year. The Action Plan 2026-2027 has been presented to the Board separately for noting, (see 18/2026 Annual Action Plan 2026-2027 report).

## RECOMMENDATIONS

1. That the Library Plan 2025-2029 – Actions and Achievements Report be noted.

## GENERAL BUSINESS

### 24/2026 BOARD CODE OF CONDUCT 2026-2027

*Report prepared by Beth Luppino*

#### **Purpose**

To present the annual review of Connected Libraries Limited Board Code of Conduct for consideration and approval.

*Library Plan 2025-2029 reference – 4.5*

#### **Background**

In June 2025, Connected Libraries Limited considered and adopted a new Board Code of Conduct for the new entity from 1 July 2025. The Board Code of Conduct draws on sources including Casey Council Code of Conduct, the Code of Conduct for Members of the Australian Institute of Company Directors and Codes of Conduct established by other library services. It acknowledges the vision and values of Connected Libraries, community expectations and the principles of good governance. The Connected Libraries Board adopted the Code of Conduct at the 26 June 2025 meeting, and the Board Directors signed a provided a copy to the CEO.

#### **Discussion**

CL Limited Board Directors are invited to review the Code of Conduct and provide feedback prior to approval and signing for the financial year beginning July 1, 2026.

It outlines the ethical and professional standards agreed to by all Board Directors and serves as a guiding framework for directors to navigate their fiduciary duties and professional obligations in line with Connected Libraries vision and values.

#### **Conclusion**

It is proposed that Directors review and sign the Code of Conduct at the June meeting of the Board each year. The Board Directors are required to sign and providing a copy for the upcoming financial year by the 1 July 2026.

### **RECOMMENDATIONS**

- 1. That the Board adopts Connected Libraries Limited Board Code of Conduct 2026-2027.**
- 2. That Board Directors sign and provide a copy to the CEO of CL Limited by 1 July 2026.**

## Review Process

This Code of Conduct should be reviewed on an annual basis, with any necessary changes approved by the Board at the June Board meeting.

The annual review should be led by the Chairperson with input and advice from all Board Directors.

## CL Code of Conduct for Board Directors

### As a Board Director I:

1. Will support the organisation's vision and values.
2. Will act honestly, in good faith and in the best interests of CL Ltd as a whole.
3. Will use due care and diligence in fulfilling the functions of my office.
4. Recognise that my responsibility is to CL Ltd as a whole but will, where appropriate, have regard to the interests of all stakeholders in CL Ltd.
5. Will not take advantage of being in the position of a CL Ltd Board Director.
6. Will not allow personal interests, or the interest of any associated person, to conflict with the interest of CL Ltd.
7. Will be independent in judgment and actions and to take all reasonable steps to be satisfied as to the soundness of all decisions taken by the CL Ltd Board.
8. Will not make improper use of information acquired as a CL Ltd Board Director.
9. Acknowledge that confidential information received as a Board Director in the course of exercising those duties remains the property of the organisation from which it was obtained and it is improper to disclose it, or allow it to be disclosed, unless that disclosure has been authorised by that organisation, or the person from whom the information is provided, or is required by law.
10. Will not engage in conduct likely to bring discredit to CL Ltd.
11. Will comply at all times with the spirit, as well as the letter, of the law.
12. Will be accountable to fellow Board Directors, arrive well-prepared to meetings and be engaged in Board matters.
13. Will engage with CL Ltd staff in a professional and courteous manner and avoid any involvement in the day-to-day operations of CL Ltd.
14. Understand that Board Directors will not involve themselves in any personnel matter relating to staff, except for the CEO and will advise the CEO of any concerns that staff have acted in conflict with a formal policy or decision of CL Ltd.
15. Will communicate well by making statements and requests in a clear and direct manner and listening generously to others.
16. Foster an environment where constructive dissent is welcomed, where people are encouraged to share their unique perspectives on issues and topics, and where "group think" is challenged respectfully and creatively.
17. Respect and acknowledge fellow Board Directors and appreciate individual contributions and the voluntary nature of their commitment.

## Dispute Resolution

In the event that a dispute occurs, affected board members should:

1. Make genuine attempts to resolve disputes amongst themselves, drawing on the leadership of the Chairperson where appropriate
2. The Chairperson may request the CEO to engage an external mediator to assist parties resolve a dispute, where all parties are willing.
3. Adhere to the internal resolution procedure provided by an independent arbiter

The arbiter is to give a copy of their findings and the statement of reasons to the Board, the applicant and the respondent. Where the arbiter has been found a Board Member to have contravened the Code, they will also recommend appropriate sanction/s to be considered by the Board.

## Acknowledgement and Acceptance of the Code of Conduct

**25/2026      CHAIRPERSON*****Report prepared by Beth Luppino*****Purpose**

To outline the Board Governance Policy requirements regarding the terms of office for the Board Chair position and to support the Board in the election of a Chairperson from 01 July 2026.

*Library Plan 2025-2029 reference - 4.5*

**Background**

At the Connected Libraries June Board meeting in 2025, the Board discussed the role of Chairperson and time held in the position.

The Board Governance Policy articulates that the Chairperson must be one of CL's Independent Directors.

**Discussion**

Clause 6.4 of the policy outlines the general terms of office for Independent Directors (4 years initial term with optional further term) unless removed by CL in accordance with the terms of a separate contract of appointment; or the Independent Member resigns.

The policy outlines that the Chairperson shall hold office for 24-months unless the Chairperson goes out of office earlier in accordance with clause 6.4 of the policy. Throughout any term as Chairperson, the other Independent Director will act as alternate Chair where the Chairperson is not available.

At the June meeting in 2025, the Board endorsed that Penny Holloway would remain in the roll of Chair for a further twelve months, to be reviewed in June 2026.

Following consultation, the Independent Board members have indicated that Penny Holloway will nominate for the role of Chair for a further twelve months, with Helen Partridge continuing in the role of alternate Chair.

The Board should consider the appointment of a Chair of the Connected Libraries Limited Board for the period 1 July 2026 to 30 June 2027.

**Conclusion**

The Board governs Connected Libraries in accordance with the Regional Library Agreement and Board Governance Policy.

**RECOMMENDATIONS**

- 1. That the Board Chairperson report be noted.**
- 2. That the Board endorse an Independent Board member in the role of Chair from 1 July 2026 until 30 June 2027.**
