Digital Literacy
With Connected Libraries

Increase the digital literacy skills of your community!

Do you host a local community group, or facilitate programs at a not-for-profit organisation?
Our Digital Literacy team can deliver workshops to your attendees to increase their confidence using phones, tablets or computers.

Offering:

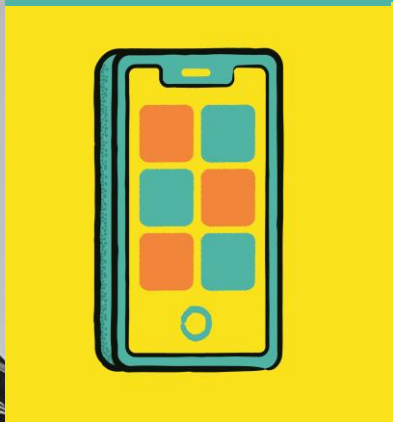

- **Attendees:** Suitable for groups of 5 or more people. Please indicate the size of your group when booking.
- **Custom Content:** Custom content may be available but must be organised a minimum of 6 weeks in advance.
- **Devices:** Unless stated otherwise, participants use their own device.
- **Frequency:** Two visits per calendar year.
